

CAST Division Distinguished Service Award

Award details

Award	A plaque and two tickets to the CAST banquet for the recipient and a guest.
Deadline	April 15, 2021
Administrators	Computing & Systems Technology Division (CAST)
Presentation	The award is presented during the CAST banquet at the AIChE Annual Meeting.
Nomination Instructions	Nomination packages should include a nominating letter stating how the nominee has contributed to CAST and the process systems engineering field through their service, a completed Award Nomination Form, no more than four supporting letters, and a CV of the nominee. Nomination packages should be emailed to the CAST Second Vice-Chair. Electronic submissions are required.
Sponsors	Computing & Systems Technology Division (CAST)

Recognizes outstanding service to the Computing and Systems Technology (CAST) Division by a member of the Division. The candidate must have participated in a variety of division activities and demonstrated outstanding leadership over an extended period of time. The award is contingent upon a candidate meeting the above criteria and as such may not be awarded every year. This determination is solely at the discretion of the CAST Division Award Committee and the CAST Division Executive Committee.
