*Program Director, Office of
Graduate Diversity and Inclusion*

TERRA HALL, PhD

“Black and Spiritual: Understanding how self-identified Black and spiritual undergraduate students experience support while attending PWIs”

BLAKE TURNER, PhD

“Black Educational Spaces in mathematics education: A critical racial research workshop for Black graduate students”

ALEXIS YOUNG, PhD

“Skyrise for Black girls: Black girls architexting youthopias”

The Qualitative Research Interest Group (QRIG) is a working group of Faculty and graduate students who use qualitative methods in their research. QRIG seeks to raise the profile of mixed qualitative methodologies as an important component of a research design in order to capture the lived experiences of understudied populations. For more information, email crge@umd.edu.
